QR Code Link to This Post Looking for sub contractor to help with some properties along Hwy 169 in the Plymouth/New Hope/Golden Valley area. Mix of commercial and residential properties. The commercial properties have open times of 6-7am, so need to be done early. Willing to set you up with a whole route or breakout properties to help fill your existing routes.

If you have commercial liability insurance, we can pay as a 1099 contractor, otherwise you would be paid as a W2 employee. Routes pay approx. \$100+ per hour depending on your efficiency

Please respond via email with your contact info and size of truck and plow you would be using.
