QR Code Link to This Post 2011 F250 XLT 6.7L powerstroke 4x4 crew cab long bed 248k highway miles. Has no mechanical issues or rust and was a southern truck, it's a 6 year old truck so there are a few dings here and there but I've priced it accordingly. It'd be a perfect work truck, also just had a fresh oil change If you have any questions just ask. Anyone who comes today gets it at \$13!!
