QR Code Link to This Post Hey everyone, thanks for deciding to read my ad. I am a mover who has 8 years of experience in the industry. I am currently offering a labor only service provided by experienced movers. The way it works is we provide the Labor and all the equipment needed to complete the move and (YOU PROVIDE THE TRUCK). Arrangements can be made for us to drive the truck you provide. We pad and shrink wrap all wood and fragile items to protect them from damage on the move. My team and I have many references and will provide you a couple upon request so you can verify the quality of our work.

These are the options we can provide for you along with our rates.

1. Pack: We can come give you a hand with the packing of all items in the house.
- 2.load/unload only: We can come to load or unload your items at one location.
3. load and unload:We take care of moving items on both ends of the move.
- 4.In house; We can move items within the home from one room to another.

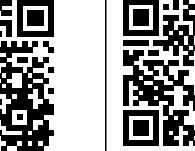

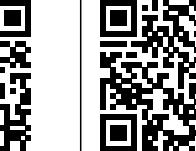

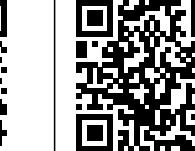

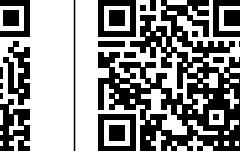

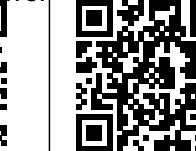

RATES FOR SERVICES :\$25.00 Per Man Per Hour
