My name is Melissa. I am 22 years old and I am currently pursuing a degree in Early Childhood Development with emphasis in Child Life. All of my courses are online at the moment. As for work, I am open to being a nanny or an occasional babysitter, whichever best fits your needs. I love to read and do arts and crafts, build forts, and help with critical skills like reading and writing. I am also willing to clean up the house and prepare meals. I have a drivers license and a reliable vehicle. I have 2 years of experience in a commercial daycare center and babysat for many years before that. I have also helped out at a home daycare and nannied for a family. My experience with children ranges between ages 6 weeks to 13 years old, and babysitting multiple children at a time in that range. I am CPR/First Aid certified, as well as SIDS and Shaken Baby Syndrome.

Thank you for your consideration,
