My name is Hina Iqbal, and I am providing child care from home. I live in St. Paul, MN, I have graduated from the University of St. Catherine's with a bachelor's in science and a degree in both Marketing & Management. I have two wonderful children! During your child's stay, I will have planned activities, a daily learning curriculum/ schedule, as well as, snacks and meals.

Your child will be welcomed into a safe and loving environment , come by for a viewing ! :)

I am also certified in First Aid & CPR!

Please feel free to call me any time , I am willing to work with your schedule !

I hope to hear from you all soon :)
