QR Code Link to This Post Please, don't flag my ad. I comply with the Terms Of Use. I post once and renew every 48 hours or when CL allows. If you think my ad doesn't comply with the TOU please, contact me and tell me why. I'll gladly change what is non-compliant.

The attached JPGs are there to show I'm an artist and NOT the extent of my abilities. They're examples of what people have wanted in the past. This ad is directed at the music community because, I'm also a performer and I know how important quality promo is and how expensive it can be.

I'm confident I can fulfill your promo.
