Our agency is seeking fun, professional, dependable and experienced candidates with a passion for children to work with us to find an ideal nanny position that is a perfect fit for you!

Above & Beyond Nanny Services is a nanny placement agency that has been specializing in the nanny industry for over 21 years. We are a locally owned and operated company that provides one on one job search assistance. We have a fantastic team of staff that can ensure that all of your questions and concerns can be answered and addressed. We assist you by pre-screening all families and ensuring that you get placed with a family that is a direct match for what you are looking for hour, personality and salary wise.

We currently have several positions available! Including many new, great positions with fun families with infant through school aged children located near Minneapolis, St. Paul and surrounding suburbs. These families are in need of Full Time and Part Time Nannies. These positions offer great pay for a quality, upbeat and cheery nanny.

Position Requirements:

- * Must have a valid driver's license
- * Reliable transportation with insurance
- * Must pass all background checks
- * 2 years of previous Nanny, Childcare or Teaching experience preferred
- * A bright and cheery demeanor is a must

* High level of energy, enthusiasm and responsibility

Some duties include: child proofing a plus

Average pay is \$18.00 per hour depending on experience. Locally based, you'll receive full benefits, two weeks paid vacation and mileage reimbursement. We have our private families that are looking to have a long and personal relationship with their new nanny. Which allows you to see job environment for you.

If you are interested in the numerous nanny positions available now through our agency, call us at or fill out an application on our website at www.aboveandbeyondnannies.com under the nanny info tab. We look forward to hearing from you!
