QR Code Link to This Post Have you ever thought of hosting an au pair for your child care needs?

Au Pairs provide 45 hours (FT) or 30 hours (PT) of live in child care. Their duties can include: light housekeeping, children's laundry, meal preparation, homework/tutoring help, organization, transportation, and much more.

The cost to have an au pair is much more affordable than many people imagined. For 45 hours, the cost is \$359/week and for 30 hours it is \$310/week. This cost does not vary depending on the number of children you have.

You can set the schedule every week, it is not only flexible, but very dependable. Your schedule can change from week to week. They can also work weeknights and weekends. We have hundreds of qualified au pairs to choose from. Your children will be exposed to a new culture and language and have an experience that cannot be beat.

Please contact me, the local area rep, Tessa at for more information. Or visit our website at [www. goaupair. com](http://www.goaupair.com)

Ask how to be eligible for discounts on your placement fees.
