Aloha!

I'm a 28 year old female looking for housing on the North Shore. Ideally looking between $600-800 per month beginning in January 2018. I have a full time job in a Physical Therapy office based in Kapaa and Kilauea and I have lived on Kauai 1.5 years. I am a quiet person. When I'm not working I enjoy surfing and hiking. I leave early and return at dark. I'm looking for a peaceful home to rest my head. I would also look at any 2-3 bedroom homes available as I know of a few other reliable people looking for housing. Feel free to contact me if you have or know of any spaces available.

Chala
