QR Code Link to This Post Nonprofit organizations are only as strong as their infrastructure. A solid infrastructure will allow an organization to better serve its clients or community.

I provide capacity building and organizational development services to strengthen nonprofit organizations' efficiency and ability to carry out its mission.

Service Areas Include:

- * Fundraising Activities/Grant Writing
- * Operational & Strategic Planning
- * Program Development
- * Marketing/Outreach (Social Media)
- * Board Development
- * Volunteer Recruitment

Consulting services can be billed by the hour or by the project.
