My name is Del. I am a professional graphic designer and founder of Aesthetic Philosophies - a graphic design studio in Metairie. I have been in business for 4 years and have over 12 years of experience designing logos for big and small businesses, startups, and non-profits. All the logos and work you see here were designed by me for real clients across the country.

My logo design services include custom designs, multiple logo concepts to choose from, and concepts within 1 week.
