QR Code Link to This Post We are recruiting CURRENT TOBACCO SMOKERS (age: 21+) for our Tobacco Center of Regulatory Science (TCORS) study on internet tobacco marketing.

Participants will serve as "coders" to identify messages on various tobacco websites.

We ask that each participant commit 2 hours a month of their time until the end of the study in 2018. Participants are REQUIRED to have a laptop or desktop computer & will be compensated with an AMAZON gift card each month they have completed the coding for a particular website.

The coding can be done from a personal computer. Participant's will only be asked to join us for a brief training which can be done online from your own computer.

If you are interested in participating in our study, please fill out the contact form on our website:  
<http://tcors.usc.edu/project1>

Also, note that filling out this form does not obligate you to participate or guarantee you will be a participant in our study. One of our staff members will call you and explain our study and you may decide to participate or not at that time. If you would like to contact us please email
