QR Code Link to This Post I have young freshwater albino dwarf birstlenose plecos for adoption. They are approximately 1" to 3" in length and maxium size is 4 1/2 to 5" as adults. They will not outgrow your tank like common plecos. Great little cleaners for your aquarium. They are tank raised and healthy. Currently eating flake flood, algae wafers and zucchini.. Asking for a \$5.00 adoption fee per inch. So a 1" would be \$5.00 and a 2" would be \$10.00, etc. If interested please contact Michelle at . Located in Downers Grove, IL near I55, I88 and I355.

Please note: The first picture is of the young ones, the 2nd picture is of the dad, and the 3rd picture is mom.

fish, fishtank, freshwater, aquarium, bottom feeder, pleco,
