**BUY FACTORY DIRECT! LIFETIME GUARANTEE! ALL INSTALLATION AND WARRANTIES INCLUDED!** Weather Guard is responsible for the installation of thousands of lifetime metal roofs spanning the entire Southeast! For a classic metal roof look, a rib panel system is the way to go. It can be presented as a low profile or with a standing seam, which is ideal for commercial or residential buildings. We offer: 50 Year Coverage: we don't just guarantee our metal roofs - we warranty them for life. That means whether you need help in 10 years, or the next homeowner needs help in 49 years, Weather Guard will be there to honor the commitment we made on day one. Stronger Than Ever: We promise that your metal roof won't wear out. It won't chip, crack, peel, flake, blister or burn. It will hold strong for at least 50 years, protecting your home and your family, guaranteed. The Best Materials and Craftsmanship: By controlling the product and installation from creation to the last screw, we can guarantee a superior quality roof at an affordable price. Why Metal? \$\$ Improve Resale Value - Compared to a home with asphalt shingles, homeowners generate 1-6% more when a residence is resold with a metal roof.

~¼ Energy Efficient - Metal roofs reflect heat from the sun which can cut your cooling costs by up to 40%!

ã, Durability - Our metal roofing systems are engineered and UL certified to withstand rain, snow, hail, fire, and Gulf Coast winds 100% FINANCING - NO MONEY DOWN\* From short term financing to terms of up to 144 months, we'll work with you and our lending partners to find the best plan to meet your needs. For Financing, Call us at (601) 910-7156 Or visit us at [www.WeatherGuard-financing.com/CYND](http://www.WeatherGuard-financing.com/CYND) \*Disclaimer: 100% financing with no money down is for well qualified customers subject to approval by lender. Advertised monthly payments are based off of \$0 down at signing with a 144 month term of finance. Monthly payment will vary based on the square footage of roof and product type.
