QR Code Link to This Post I have a beautiful little girl. Shes a miniature pig. I bought her Thursday morning. Long stories short, I had to suddenly move bc of a family emergency, and where I will be is not fit for her. I named her porsha. Shes a sweet and about 10 weeks old, assuming. Very smart, playful once she warms up to you. And she gets along with my Chihuahua very well. Hate to get rid of her but I have no choice. Asking 100 obo. If located in Gulfport, I will bring her. You can contact me through text at !
