QR Code Link to This Post If you're looking for a reliable sedan then you should consider my 2008 Mercury Milan. It has a well cared for 132k miles, no warning or engine lights on, clear dash. 19 detailed ASE certified service records! All recommended maintenance up to specifications. The 4-Cyl, 2.3 Liter engine runs flawlessly with no leaks or issues. The brakes, rotors, and tires are all good (see pics) and do not need to be replaced. Front wheel drive so it handles well in all weather. It comes with "side and curtain" airbags for safety! Side airbags protect you from a side impact and "curtain" airbag deploys from the car's ceiling to protect your head, all never deployed. The gas mileage is great! it gets about 29mpg. The exterior is free from scratches and dings. Nice Original paint and it looks amazing. The interior is clean. The seats are in great condition without any rips or tears. "Light Sage Metallic" with "Beige" Interior is a great color combination. Premium sound system, CD changer and mp3 capability, with aux port. Cruise control and radio controls on the steering wheel for added comfort safety. My Milan is in Pristine condition, I have taken several detailed pictures so you can see how nice it really is. The first person to drive it will buy it. Contact me anytime by phone call or text message if you would like to come see it. Thank.
