Roommate is super clean and easy to get along with. He is always busy too with school work and work. Or if you and a friend want to take over both my lease and my roommates, then that is an option too! Apartment comes with wifi, cable (with tv), and washer/dryer. Great location in the building on the second floor. Back door goes right on to the podium with full sized basketball court, three grills, pool, and weight room. Great place! Lease takeover would go from January until June.
