The Dominator X2 ZEUS Long Travel Side by Side features our exclusive 7" Full Touch display that controls all your gauges, engine diagnostics, Compass, GPS Mapping, Way Point/Ride Tracker, Bluetooth, Audio Capability and much more. The Future of UTVS is here and the Dominator is the only UTV with ZEUS Touch Technology at the touch of your fingers. It also has our patented "Vi-Lock Suspension" technology that provides industry leading suspension travel, ground clearance and durability. Our Boxed A-Arm design puts out 14" of suspension travel and over 16" of ground clearance on the Dominator's 15" Aluminum Wheels and 29" Off-road Tires. Polaris Rangers and CanAm Defenders cannot even compete! If you want the biggest, baddest UTV on the market without having to spend \$10,000 on accessories, lift kit and suspension; come check out the Dominator X2 Long Travel and experience the next level of off-road performance. <https://odesindustries.com/line-up-dominator-x2/>
