QR Code Link to This Post Some time next week I want to start my first floor tile project in a small kitchen. I simply need the advice and consultation on exactly what needs to be done in preparation. It's simple. This Thursday, you stop by, I show you the room, you tell me what I need to buy, and walk me through the process. That's it. Again I'm looking for someone with a largef amount of experience. I can give 20 buck to the person I chose to come do this for me. If you're interested just tell me about your experience and send pictures of your.
