JOB DESCRIPTION
 THIS IS A 100% Commission based (Highly profitable) opportunity!

As an APPLICATION PROCESSOR you will enroll with a cellphone plan that offers an iPhone x, iPhone 7, or iPhone 8. The iPhones come with Unlimited Talk, Text and Data. The customers qualify to receive a new iPhone every year. This position is an exciting opportunity to become a part of a stable, yet lucrative multi-billion dollar industry as an independent contractor (W-9/1099). Meaning, this is your business. Benefits include bonuses, referral payouts and part ownership of a territory!

Responsibilities include constant growth and leadership training, speaking with qualified customers, and signing them up for a New iPhone x, iPhone 7, or iPhone 8. Team members must be able to transition from one location to another location in a short time frame, as team members will be allocated by the population of potential customers at a location, which can change throughout the day at any moment. Potential members that fit our qualification will be contacted by our recruitment team within 24 hours after receiving this application/resume.

We need applicants that are available to start IMMEDIATELY!
