QR Code Link to This Post SHE WILL NOT GO TO JUST ANYONE. WE WILL BE VERY PICKY. WE KNOW WHAT TYPE OF HOME SHE NEEDS AND WILL MAKE SURE THAT IS WHERE SHE ENDS UP. THANK YOU!

Chichi is a 10 year old female chihuahua/terrier mix that we adopted 4 months ago. She was with an older gentleman prior and once he was no longer to care for her we took her in. She unfortunately does not like to be around a lot of people and only will go to my fiance. She gets along with my 9 year old female teacup chihuahua, but would prefer to be the only dog in the home. She is scared of being picked up and will jump at any given chance, stairs, cats, getting her nails done (won't even let us touch her paws...loses it when we do) young children and loud noises. She would do great in a home with an older male or older couple where the home is very quiet and she can get the one on one she deserves. She is not aggressive at all, just extremely nervous. She is pee pad trained and will go to the bathroom outside if brought out every 2 hours. She loves her doggy bed and greenies. We tried very hard to get her to be happy here and the only person she will listen to is my fiance and he works most of the time. We want her to be somewhere she is comfortable and it just isn't working here. She favors older men, so if someone knows someone looking for a sweetie to keep them company, Chichi is the gal for them! I'm only asking a rehoming fee of \$25 to cover the cost of food. She will come with her bed, collar, leash and lots of!
