#13. Cozy living room electric fireplace. 60" Visio Smart TV in Living. Bedrooms have their own TVs.

WHAT GUESTS HAVE SAID ABOUT A STAY AT OUR HOME:

'We wanted to tell you that we had a fabulous time in AZ. Your condo was awesome. We enjoyed having the extra space to spread out. We loved being able to walk to the Marketplace for coffee, groceries, and evening dinners. (Your property manager) was very accommodating and made sure that everything was in order for our stay. It was one of our BEST family trips. Mari and Bill H. Chanhassen, MN

'We loved the week at your place in AZ. You have a great place. We really enjoyed it. Our little girl had the best time at the DC Ranch playground/pool. ' John L. Nashville, TN

'I certainly would recommend your home to friends. We had a great time in Arizona largely due to the very comfortable and pleasant stay in your home. It was spacious enough to allow 5 of us not to intrude on each other. As you can imagine, we are not used to living with each other, it being over 40 years since we were all under one roof. We got on famously with no problems and that was because of the ability to escape to the balconies, leisure centre, out for walks, to our own rooms for our preferred TV programmes. The wireless was a great help to me too as I had to keep in touch with my office throughout the visit. I loved the walking paths too- and the maps provided by the main leisure centre were helpful. So...all in all, a very enjoyable experience and great value for money. Thanks again for everything.' Margaret H. London, England
