QR Code Link to This Post Were a small company thats looking for a labor it can be short term or long term. We do general construction plus granite fabrication . one day you might be running drywall, tile or brick. Mixing thinset grout or mortar. Or general jobsite cleaning. Pay is \$8 and up cash. Depending on your work ethic and general knowledge, no tools nessesary just your own car to get to either shop or jobsite. Only looking for responsible adults. No drunks or druggies. Not even pot. We work in nice homes and I gotta be able to trust you. No lazy people or phone monsters. Must be punctual and have a good attitude. Also were not a bank, you wont get paid every day. You'll go into our weekly pay period. We work inside and outside. So be ready to work through the.
