QR Code Link to This Post chihuahua approximately 5 lbs. He was a recent addition to our family and my dog has started fighting with and attacking him. Need to find him a good home. He was full of fleas when I got him. I gave him a bravecto treatment, a flea bath and flea spray. He is a very timid, submissive and low key dog. He is content to be carried around or sit on your lap. He is also crate trained. and potty trained, but you do have to keep him out for awhile to make him go poop in the cold. Asking rehome fee of
