QR Code Link to This Post Personal chef specialty is small client attention , I offer home cooked prepared meals on a weekly or monthly basis . I will also plan menus prepare food and design & decorate for your events. I have many years in the food industry and design field and have often been called the Martha Stuart of 2017 . I have a huge passion for cooking and design put the two together and something really beautiful happens. Don't stress about the holidays let me help you enjoy them please contact me for further
