QR Code Link to This Post These brand new units come equipped with a full suite of stainless steel appliances. Elegant and modern design cues throughout will expand and nurture a sense of well being with tasteful ceramics and monochromatic style. Large windows let in plenty of light. Other features include high efficiency washer and dryer in every unit, storage units for all your things as well as plentiful closet space, and secure and parking.

- Each tenant is provided a designated parking spot
- Dog park on the backside of the property
- Key code access and lobby for guests
- The HVAC is exclusive to your own apartment, therefore, no air exchange with any other apartment
- Exercise room on the 3rd floor

We have a cafe/bakery in the ground level, it's a very quite, young professional living atmosphere
