QR Code Link to This Post Hello,

I have a blue chow named Nicole. She is four years old and very sweet. The only reason I am seeking a new home for her is because my job demands do not allow me the time necessary to give her the attention she needs. I will text you a pic of her by request. Serious inquiries only. And I am asking a rehoming fee of \$80 to ensure she goes to a great home.

Text me at Serious inquiries!!!!!!
