QR Code Link to This Post Lila is a gorgeous dilute tortie with eyes that can definitely draw you in. She is a real sweetheart and will follow you everywhere once she has given you her trust. This girl is very shy with new people and will need time to trust her new family. She loves to play and string or "fishing pole" type toys are her favorite. She also likes busy balls, stuffed toys and her laser light toy. She is also very curious and loves to gaze out of the window. She gets along with other cats, but just like with people, she will need time to adjust. The home for this sweet and special girl should be willing to be patient with her and let her take her time getting to know you. She gets nervous easily so a home without young children is probably best. Your reward? A gentle and beautiful girl who will provide lots of love and entertainment and will be very devoted to you. Estimated DOB 21 March 2008.

Adoption fee of \$90 includes spay, microchip, vaccines, FeLV/FIV testing, deworming, and flea prevention.
