QR Code Link to This Post Offering hauling services but will tow most anything and most certainly not limited to; fifth wheel campers, travel trailers (bumper pull), boats, flat bed trailer and horse trailers. I have a 1-ton capable of hauling trailers equipped with a 5th wheel, gooseneck ball or standard bumper pull.

The camper/trailer NEEDS to be in road-ready condition which includes;

- Decent tires, wheel bearings serviced
- Working brakes and lights
- Functioning trailer jack

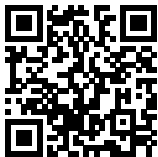

Camper should to be ready to move upon arrival which includes removal of seasonal or screen rooms. I can assist with preparing for transportation for an added cost. Trailers must be registered. Transit plates can be purchased for \$13 from DMV or ANY town office.

Price depends on location, distance and difficulty. Call, text or email with details of what you need moved. I am willing to haul throughout Maine and out of state. I work a full-time job with non-traditional hours; I will do my absolute best to accommodate your needs.
