QR Code Link to This Post I'm looking to make some money on the side, I unfortunately lack the proper equipment to be a webcam girl, and this way I figured via email/text I can offer the same entertainment as webcam girls, just this way my fans and I can have a closer and personal relationship.

I can also mail personalized and signed photographs.

Pay would be via mail/PayPal. 3 sample pics via email to show I'm worth the time, pay will get you personal email/cell phone number.

Prices range on photos.
