I am a former female model who has decided to try my hand at photography. I am in need of subjects for my next project. I am looking for a couple (hetero, homo, or trans) that would be willing to let me take sensual, bare photos of them together in various situations in the home. If you are interested, four8 four, seven six 4, double zero, sixtytwo. Send to me a picture of you and your partner, and feel free to include any photo ideas that would fit my.
