QR Code Link to This Post Internet radio station is on the hunt for a reliable, mature radio station intern who's available at least 2 hours a day, 5 days a week. This internship is designed to help you grow within the entertainment & media field advancing our public media objectives. You get real-life work experience and the chance to work with other up and coming professionals. A snapshot of what you might do:

- Be involved with aspects of audio production for our radio shows
- Assist with day-to-day production needs (if necessary)

Having some knowledge of audio/studio software is a + (but not required). Note, this internship pays in valuable work experience and networking opportunities.

Experienced not required but MUST be willing to!
