QR Code Link to This Post I work very hard during the week and am usually in need of a good massage. If you think that you would be a good fit, let me know, I'd love to hear from you.

I know this is craigslist but I have to assure you of your safety and can do a reasonable job proving it before you even get to the door.

Please respond with a photo and if you're comfortable, a phone number at which you can be reached. If not, I understand and we can start by email.

Thanks!
