QR Code Link to This Post Currently looking for framers. Pay ranges from \$12-25 hr (possible bonuses) , based on experience.

Think you should be paid more than you are making with your current employer? Give me a call and we can change that!

You can get paid what you are worth, if you do your job and the job does well, that could be more money in your pocket.

Serious inquires only, no shows are a no go!
