Well here he is...Boss, a 3-year old, 40 lbs. black Lab mix was rescued, along with his friend Buster (Beagle mix shown in pic, separate profile) from a horrible high-kill shelter in Georgia. Both boys arrive in NYC on Saturday, December 16th ready to spread their special love and charm to all they meet! Boss's Georgia rescue team tells us that he's housebroken, super dog friendly, up to date on all medical and neutered too...wow, we say he's near 100% perfect!
