QR Code Link to This Post Rapunzel is a great kitty for hanging out. She likes video games, looking out the window at the wildlife, being brushed (she has pretty fur!) and sleeping in her human's bed. She is easy-going, quiet and ready for her new home!

Available for adoption (www.vet-petrescue.com), the adoption fee includes spay, microchip and vaccinations to date.

To meet her in person, please respond to this email to set up an.
