QR Code Link to This Post Chuck is a super handsome guy who is finally off of the streets, where he has lived far too long. He carries the scars of many fights but is so glad to live indoors now! His only Christmas wish this year is to live with a family who would love him for the rest of his life.

Available for adoption (www.vet-petrescue.com), the adoption fee includes neuter, microchip and vaccinations to date.

To meet him in person, please respond to this ad with your contact.
