QR Code Link to This Post I am with Stray Haven Rescue All of our kittens are spayed/neutered, microchipped, fiv/leuk tested, vaccinated, wormed and litter box trained. Our adoption fee is \$125.00 and 2 for \$200.00. If you promised the kids a kitten for Christmas, now is the time to get. Don't make the mistake of having it as a surprise Christmas morning. Your new pet needs time to adjust to your home its new surroundings. All of my kittens have been raised in a family environment not in CAGES. Have free reign of my home. So, they just run and play and have a grand ole time. Any questions, you can contact me at
