QR Code Link to This Post He dint know us black folk vote Republican, da niggers vote democrat., see I told the guys we wouldnt have to wait for December for more stupid shit from dat po po dumbass who so stupid that he got held back enough times dat he was only kid in 5th grade dat had to shave!, but dont worry he still holds record as 1st kid that was old enough to drop out when he started highschool, so is no surprise he quotes an posts threads from leftist blogs like "dailykos and NYslimes" who write there blog headlines at 4th grade reading level, just think Mikey if you were in public school now days since liberals ruined it with the core standard you could be considered education challenged an get a participation trophy
