My beautiful family consisting of my mother, grandmother, older brother, uncle, aunt, and step father, and of course, myself are looking for a home in Las Vegas.

We are a beautiful and loving family, my older brother was diagnosed with and auto immune disorder and has had two strokes which have left him 90% without vision and with very limited mobility in his right leg.

My loving mother is his primary car taker but she is herself a woman of 55.

My step father is 67 and is ready to retire.

My uncle and aunt are both in their 70s and my grandmother is 90 years old.

We were priced out of the San Francisco Bay Area and decided to move out into the desert for better fortunes.

We have consistent income and are looking for a reliable home that can accommodate such a large family for around \$2000 a month.

Curently we are staying in a suite but the search looking for a new home is lasting longer than hoped and every day we have to spend \$200+ because the health requirements of our family.

Thank you in advance.	reteran and student.  In the following following the following the following following the following	e significante de la companya del companya de la companya del companya de la comp	BANK B BANK B Special	EXTENDED IN THE INTERPRETATION OF THE INTERP
