QR Code Link to This Post Read this as carefully. Understand it before you message me. Here is exactly what I'm offering and what I need from you. I'm offering you a free place to live in exchange for cleaning, accompanying me to the grocery store and to Dr appointments, or wherever else I need to go. Also, some small repairs. No I don't need a contractor to fix something simple. So don't even tell me about your experience. Also I don't need a nurse or caregiver, I am partially disabled, I can walk, I can drive, I can take a shower without any help. I can't lift or do anything strenuous because of a back problem. This is a mobile home and it's easy to take care of, if you are a healthy person. You would have to share same bedroom and bathroom and provide your own food. No drug users, no pot smokers, no alcohol, no exceptions. There if you can't understand this ad, then move on. I don't want someone that stupid around me. If interested message.
