QR Code Link to This Post The below are for sale as one lot. Not selling individual trucks. I looked up the going price of each one to see what they could go for on the internet. The prices actually vary quite a bit. Regardless, I don't have the time to sell them individually, but perhaps you do and you can make a few \$ or perhaps just add them to your collection. Selling for \$450

All are in their original boxes. None were ever played with as toys. They were only for collecting.
