

Looking to have metal lathe and mortar applied to backsplash (Waltham,ma)

Location **New Hampshire**
<https://www.genclassifieds.com/x-783484-z>

QR Code Link to This Post I'm a mass contractor looking for a person to install metal lathe and mortar for a tile install. My customer and I really want a nice job, so we will need to meet before the job.

90 Sq ft total -cash at completion.

Fully Prepped - ready to go.

Send your bids through Craigslist. This is a legit offer. Today is Dec 13th. NH got almost a foot of snow . All rain in BAWH0Y~ce0Y~ce0Y~ce
