QR Code Link to This Post Need an electrician to do installations in your home or business? Having trouble finding someone to do small jobs? Call Joshua Silfies Electrical Contractor @

. No job too big or small. In fact we LOVE small jobs that others wont touch. Our prices are very reasonable. Licensed and Insured. Unlike other so called "contractors", we return phone calls and show up! Very HIGH customer satisfaction ratings, over 100 references. We provide residential, commercial and industrial repairs, sales and services through out PA and Central NJ. Have us install a back up generator or a generator power inlet for a portable generator. Life time warranty. 24 hour EMERGENCY service. Give us a call today and set up your free estimate.
