QR Code Link to This Post This is a great location for people or for students that want to visit or study the city for a few months This is a two bedroom apartment with one bathroom and Kichen. I live with my wife and two adorable cats. This place has a great view of the city, door man, and this location is close by to everything you need and very close to time square. I'm looking for a roommate that is responsible, clean and respectful and this room is short trem the most I can do two to 5 months. This place is full furnished and has Internet and the room air conditioning and WiFi. It's close by the 1,N, R, C, E train and the theater district. We're looking forward to hear from you and the room is going to open on January 1st
