QR Code Link to This Post Bisson, Edouard-Loves Messengers, Original painting done about 1901. In Vintage Frame in Roto Gravure. About 2 X28 inches. Incredibly beautiful in Bisson's ethereal style. Frame is in great shape as is the roto gravure. You can tell this is an old piece by the vintage uneven glass, vintage wire, vintage frame & old craft paper on the backing. Vintage original frame is also unique with assymetric frame & embellishments on top & bottom portions.

Born in Paris in 1856, Bisson exhibited regularly at the Salon of French Artists of which he was a member. He was awarded Honorable Mentions in 1881 and 1889, a Third Class Medal in 1897, and a Bronze Medal at the Universal Exposition in Paris in 1900. In 1908 he was made a Knight of the Legion of Honor.

The artist continued to exhibit his works until his death in 1939; however he always saw himself as a painter of the period around 1900; The Fin de Siecle, when he developed his own interpretation of feminine beauty.
