QR Code Link to This Post We have brand new EMERGE Snowboards left over from last season. Some boards have rust on the edges which can be removed using gummy stones and other methods, we will sell them for half price.

Brand new boards are \$30, the ones with some rust are \$15.

Lengths: 140cm, 145cm, 151cm, 155cm

Types: Most of our boards are freestyle (softer flex compared to freeride boards). We have both camber and rocker boards

## Features:

Scratch Resistant Topsheet - Strong, durable topsheet layer that is resistant to scratches and marks

Tri-Axial Fiberglass - Durable glass offering flexibility for turning and maneuvering

EX Enforced Sidewalls - Crack-resistant sidewall, even for rails!

Rubber Dampening System - Controls vibrations, offers stability at higher speeds and optimal edge control

Rockwell 48 Steel Edges - Edges that hold in ice without being too catchy on the snow

Superior Flex Woodcore - A mix of lighter and heavier wood to emphasize torsional and longitudinal flexibility at key points in the board. As a result, the board offers lots of pop and stability while absorbing shock.

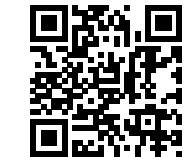

EX Enforced Base - Maximal wax absorption for ideal gliding on top of snow and ice

Twin Shape - Symmetrical shape allowing optimal performance for regular and switch riders
