QR Code Link to This Post Hi Everyone!

I have Hundreds of items for sale and about 95% of it is brand new sealed in package. I am open to bartering so contact me and let me know what you have to offer.

I am flooded with tons of inventory and I am willing to beat any advertised price on every item I have. If you come by and take a look I guarantee you will find several items on your shopping list you want for better prices than anywhere else. Thinking of buying a new "X" but want to get the best price anywhere for it? Maybe you are looking for a certain item you need immediately, or perhaps you just love browsing around for awesome deals. Please call me first!

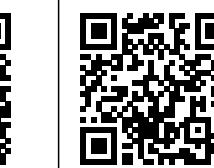

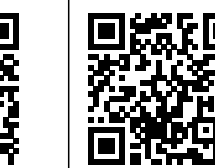

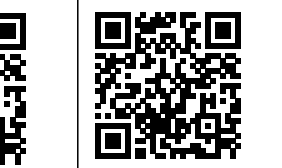

I can source products cheaper than anyone can find them anywhere online. If you don't see the item you are interested in just send me a text or give me a call and ask, I probably have it and if not I can most likely find it for you for cheaper than the lowest price you can find. Usually I am able to get the product you want as fast as amazon prime and at a lower price for you!

Many of my items can be found on craigslist in individual ads but I have so many items I just cant post them all. Check out some of my items for sale simply by searching: LOWFINALPRICE in your craigslist search bar.

Also please check out my EBAY store where I have 200+ items for sale, this link connects directly to it: [LOWFINALPRICE.com](https://www.LowFinalPrice.com)

I do all of my transactions from my open garage in a guard gated community near Robindale & s jones blvd. Simply call me to ask questions, set up a time to come by and I will open my garage and have everything you are interested in ready for you to check out.

I have all this and much much more:
