QR Code Link to This Post Please do not leave me messages that are negative. This is a very serious post. If you knew me, you would know that this is the last thing I would do. I'm single mom of three. I do have a job. I do have a house that is not funded from the government. I have pay stubs to show. I would prefer to remain anonymous However I can send whatever proof you need to rest assured that this is true. We are so slow at work. I cannot do this right now. This Christmas. I have an infant and two older children. I need help. If anyone is willing to donate... there is a way. I can save the receipts to show proof of what I bought. I know this is far fetched. It's worth a try. There are some good people left. I've been struggling on my own. I go to work and come home w my kids. That's my life. I'm ok w it! Those kids add everything to me. They know my financial situation. It hurts me bc they are well behaved and do deserve nice things. I'm not asking for money for myself. I need a boost . I can send you pics, pay stubs, report cards... I just don't know what to do. I pick up odds and ends for extra money but it's not enough. (I pay rent, all utilities, car insurance and child care-as for bills.) I'm making like 70% less right now. Im a waitress. It's my baby's First Christmas. He won't know what's going on. As for the other two- ðŸ™” if you're interested in being an angel send me an email. Merry Christmas and thank
