QR Code Link to This Post I'm a graphic designer/editor with around 5 years experience looking to do some album art for those in need. Ready for use on your website, bandcamp, soundcloud, amazon, itunes, or spotify. As many revisions until we create what it is you're looking for in a cover. Email me for more details and my rates. You can view my portfolio & work at https://www.czarnowskiphotography.com/
